

Propose a Session

OLA extends the right to Associate Members to propose educational sessions. This allows the Associate Members to intertwine themselves with the practicing members and to share experiences and expertise in a formal session setting. These are not intended as commercial sessions, but rather as a general, informative, balanced presentation on a particular topic in which your firm might have a specialization.

The conference committee evaluates proposals, and if they accept the proposal they will assign a convenor to work with your company and speakers. It is expected that the sponsoring company will cover all costs related to the speakers. OLA will provide stock audiovisual equipment in the manner it does for all sessions at Super Conference. The session will be jointly supported by OLA and your firm.
