All in.

Super Conference Expo 2017 – thank you for considering this event in your 2017 Marketing Plans.

Dear colleagues,

The constant change facing the library industry requires us to make the best use of our resources, engage in collaborations and leverage partnerships. More than ever the challenges of today's world are compelling libraries to raise the bar and deliver exemplary service to their stakeholders.

OLA Super Conference continues to attract and provide relevant professional development opportunities to over 4,200 annual attendees. This is the conference where library personnel find inspiration. It is here that new ideas emerge through motivating, leading-edge speakers and industry networking opportunities where connections and partnerships flourish. We host the largest library marketplace in Canada each year.

On behalf of the Ontario Library Association Board of Directors and our 5,000 members we are pleased to invite you to Super Conference 2017. We have taken the opportunity of including the Exhibitor's Prospectus for the 2017 OLA Super Conference, the 117th edition for your consideration.

Super Conference is known for its motivation and the opportunities it affords the library community. Once again Super Conference will be held at the Metro Toronto Convention Centre. It will continue to take risks and encourage exploration and experimentation to harness the creative energy and unbridled curiosity of our industry, for the betterment of the library community.

Here at OLA, we know you have many choices and decisions on which events will provide you with the most value for your money. I hope you will consider the access to the many delegates, your customers and decision makers that are leaders in the library world. Attendees come from almost every province and from many types of library systems including schools, public libraries, and academic institutions. Additional reasons include:

- OLA keeps registration rates among the lowest in North America to ensure maximum participation and to ensure that OLA is seen first and foremost as a learning organization.
- Over 90% of those who attend Super Conference are identified as either purchasers or those that influence purchasers.
- *Tradeshow Week* reports that overwhelmingly trade-shows and exhibitions continue to be the best vehicle to invest in to reach key audiences, particularly those that are considered the most important by the industry. There is no question OLA has this reputation.
- Exhibiting remains one of the least expensive methods to make contact with existing customers and to acquire new ones. OLA has worked hard to keep the price as low as possible.
- OLA works with dozens of companies to maximize their time at OLA whether it is user group meetings, sponsorship of OLA events, product launches in the booth, or facilitating a session for the delegates involving company personnel. OLA wants your participation and is prepared to work with you to make it a meaningful experience.

We know that Ontario's libraries remain among the best-funded institutions on the continent, in no small part due to the commitment and professionalism of the staff. This translates into innovation and program development that is greatly needed by a world going through change and uncertainty. I am proud to say that OLA Super Conference remains the "centre point" of the Canadian library scene where the influential gather to lead the way for library service and innovation.

Please review the information provided to make a decision and reserve your exhibit space soon at Canada's largest and most important library conference.

OLA is again retaining the skilled and professional services of Jefferson Gilbert and Jennifer Marriott of Gap. Point. Reach. Inc. who will ensure the smooth delivery of the Super EXPO. They have been appointed as OLA's official representatives and will be your primary contact for all things EXPO, Advertising, and Sponsorship. The GPR Team can be reached at info@gappointreach.com.

We hope to see you in 2017!

Sincerely,

Todd Kyle
OLA President 2016

The Most Significant Library Conference in Canada

Trade Shows are the Most Cost-Effective way for you to Market

Bar none “the trade show” remains the most cost effective way to meet face-to-face with current and future customers. Even if your firm only sees 15 existing customers during the two days and meet and convert five more, where else would you be able to have 20 meetings in just two days – especially with customers who are spread around this vast province.

This is the Premier Forum for the Industry in this Country

Super Conference is a meeting place for leaders, a place to learn, a place to network and the ultimate venue for the exchange of ideas that relate to and affect the library and information profession. Super Conference attracted more than 4,600 attendees in 2016. They came to Toronto to get the most for their education dollar.

The Top Decision-Makers & Decision-Influencers Will be There to See You

OLA prides itself on being able to attract the largest library and information audience in the country. We attract the CEOs that attend national and international conferences, but OLA also attracts the people who sit on the selection committees, the implementation task force, the technology sub-committees, and the management team. These are the real decision-makers and decision-influencers. Increasingly OLA is attracting key decision-makers from across the country who recognize the quality of conference and the value it offers as a professional development alternative.

OLA is the Largest Information Event of its Kind in Canada

Super Conference is the biggest, that’s been mentioned. Super Conference is the oldest event of its kind in Canada. Super Conference is recognized as the source of the best and the latest the industry has to offer. It is beneficial for delegates, because it is during a “quieter” time in most types of institutions and the program is so enticing that practitioners cannot afford not to attend.

OLA believes that the EXPO is an integral part of the education process. It is an extension of what is taught in the workshops and at plenaries. We hope you agree.

For over 116 years the Ontario Library Association has been a leading force in the profession. OLA aims to be proactive in its leadership and stewardship of libraries in this province, as a result we are unique in that the OLA draws members from all types of libraries and from all parts of the province. The Association has grown to more than 5,000 members because it provides meaningful benefits to our members.

The Ontario Library Association’s annual Super Conference is equally as important. It is Canada’s largest library and information conference. Here are some of the pertinent statistics if you have not attended an OLA event in the past, or as a reminder for those who will be returning in 2017:

- Over 4,200 delegates in 2016
- Over 375 workshop sessions and events
- Over 450 expert speakers from within the library field and from outside the field
- 150 author signings
- More than 400 delegates from outside the province
- Over 200 public libraries represented
- More than 100 academic libraries represented
- Over 40 school boards represented, plus independent schools
- Over six hours of non-conflicting exhibit time. The OLA dedicates this time to EXPO visits only.
- Reasonable hours (Thursday 9:00 AM to 5:00 PM and Friday 8:00 AM to 3:00 PM) to maximize effort and avoid fatigue and slow periods
- Over 200 booths in the EXPO and 180 companies represented and over 600 booth personnel
- Among the lowest registration fees for delegates on the continent – one of the reasons they keep coming back.

The OLA Conference is planned by professionals who work in the Ontario market. Each year following the conference more than 30 practitioners come together to plan the next year’s event. The committee draws on the needs and experience of their colleagues, fellow association leaders and others. The goal is to put together a continuing education program that has broad appeal to the Association Membership. Year in and year out the changes that are made are reflective of the changing face of the Ontario library community.

Since 1996 the Super Conference has been held at the Metro Toronto Convention Centre. The venue provides a professional and familiar place for delegates and Members to gather, to network, to re-educate themselves, to keep current on the latest industry trends and to conduct purchasing research and in some cases their actual ordering.

General EXPO Rules & Regulations

SHOW MANAGEMENT – The Ontario Library Association (OLA) and its authorized representatives are hereinafter referred to as “Show Management.”

PAYMENTS & REFUNDS – Full payment for booth space must be made no later than December 15, 2016. Show Management reserves the right to refuse a company entry who has not paid in full by this date. A deposit of a minimum of \$904 per 100 square feet is due no later than three weeks after the form is submitted. The OLA will hold booth space for up to three weeks while a company arranges for a deposit cheque. After three weeks the OLA may release the space for reallocation if another firm requests that specific space. OLA is not responsible for notifying a company that is beyond the three week period or fails to pay in full by December 15, 2016. All applications submitted after December 15 must include payment IN FULL for the space rental charges.

Cancellations made prior to September 15 will receive a refund of payments made, less a 25% cancellation fee. After September 13 and before December 1 the company will forfeit the entire amount of the deposit. After December 1 there are no refunds for space.

In case the EXPO shall not be held for any reason whatsoever, then and there upon the rental and lease of space to the exhibitor shall end. In such case the limit claim for damage and/or compensation by the exhibitor shall be the return of the amount already paid for space for this specific event.

SPACE RENTAL – The application for exhibit space, when signed by the exhibiting firm and/or deposit cheque cashed, or credit card processed, by Show Management, shall constitute a valid contract between the parties. In submitting the space contract the firm acknowledges their financial responsibility whether they choose to withdraw or cancel their space.

USE OF SPACE RESTRICTIONS – The space contracted for is to be used solely by the exhibitor whose name appears on the application, as agreed to by both parties, and only products and/or services of the exhibitor may be exhibited. Any promotion of other products or services is strictly prohibited. No exhibit will be permitted which interferes with the exhibits of other exhibitors or obstructs the visibility of other exhibits. Exhibits must be confined to the exact space allocated, and where an exhibitor's display is built beyond limitations set forth in this contract and explained in detail in the Official Exhibitor's Kit, Show Management reserves the right to correct such violations by having the exhibitor alter, remove or rearrange any or all of the display so that it will comply with the regulations or, if the exhibitor is not available, to make such corrections at the exhibitor's expense. Show Management reserves the right to restrict exhibits which, because of noise, operation of equipment, creation of safety hazards or any other reason, become objectionable or otherwise distract from neighbouring exhibits. No representation of the exhibitor, his products or services may be carried on in the aisles, corridors, feature areas, or other designated common areas of the Convention Centre.

No exhibit shall assign, sublet, or share the space allocated with another business or firm unless approval has been obtained in writing from Show Management.

INSTALLATION, EXHIBIT HOURS, &

DISMANTLING – Dates and hours for installation, exhibiting, and dismantling will be specified by Show Management. Goods being delivered directly to the exposition must be received by a representative of the exhibiting firm or their designate. Exhibits shall be staffed at all times when the EXPO is officially open. No exhibitor will be able to commence dismantling any portion of the exhibit whatsoever, to commence packing crates or cartons or to abandon his display prior to the official closing. Failure to comply with

the regulation will result in the exhibitor being barred from future shows and events sponsored by Show Management. All exhibits must be removed by 10:00 PM on January 29, 2017, and all storage and handling charges for failure to remove exhibit material by that time shall be the responsibility of the exhibitor. Show Management reserves the right, through its official carrier, to remove any exhibit not removed by the conclusion of the exhibition and charge the expense to the exhibitor.

FIRE REGULATIONS – All exhibitors must comply with local fire regulations. Only fireproof material may be used in displays and wiring must conform to CSA or UL specifications. All exits and aisles must be kept clear at all times. The exhibitor assumes full responsibility for ensuring that exhibits meet these standards. Show Management is obligated to install two fire hose cabinets for the duration of the EXPO. The location of the cabinets are on the floor plan. Show Management reserves the right to change their location depending upon directives from the Fire Marshall.

ELECTRICAL SAFETY CODE REQUIREMENTS – All exhibitors must comply with the Electrical Safety Code Requirements in place at the time of the event. The exhibitor assumes full responsibility for ensuring that exhibits meet these standards.

DAMAGE TO PROPERTY – Exhibitors are liable for all damage caused by them or their representatives or contractors to the exhibit facility, booth equipment, or to other exhibitors' property and shall indemnify the facility management, Show Management and/or Official Service Contractor against, and hold them harmless from any complaints, suits, or liabilities resulting from negligence of the exhibitor in connection with the exhibitor's use of exhibit space. Full regulations for property care are in the Official Exhibitor's Kit, available online by November 1.

CARE OF THE BUILDING – Painting, nailing, or drilling of floors, walls, ceilings, or any part of the building is not permitted. Exhibitors laying any floor covering must use an adhesive that will not damage the floor. No signs or other articles are to be fastened to the ceiling, walls, pipes, or electrical features.

SECURITY – Show Management will employ a professional guard service for the duration of the exhibition and will take reasonable precautions to safeguard exhibitors' property. However, Show Management assumes no liability for loss or damage, howsoever caused, of goods, exhibits or other materials owned, rented or leased by the exhibitor.

FOOD AND/OR BEVERAGES – The preparation and/or serving of food or beverages of any kind without the written permission of Show Management and/or the facility is prohibited. Exhibitors wishing to serve samples must complete a request form that can be obtained from Show Management. This is submitted to the facility for permission.

OFFICIAL EXHIBITORS KIT – For the 2017 EXPO the Exhibitor Kit will be available online. The Exhibitor's Kit describes the type and arrangement of exhibit space and the standard equipment provided by Show Management. In the Kit are all the necessary forms for Show contractors and other rules and regulations. All booth space and activity must be arranged in accordance with those outlined in the Kit. If in the sole opinion of Show Management, any exhibit fails to conform to the Exhibitor's Kit guidelines, or the provisions set forth herein, such exhibit will be prohibited from at any time during the exposition.

OLA will send a link for online access to the Exhibitor's Kit to each company registered with a deposit made by November 1. However, if a link has not been received by December 1 it is the responsibility of the company to contact OLA.

EXPO-ONLY BADGES – Show Management provides OLA Super Conference EXPO 2017

an unlimited number of free passes to paying exhibiting firms. These passes are to distribute to key customers, etc. that might not be attending the conference. They cannot be used for booth personnel or staff of exhibiting or partner companies. In order to qualify to give your customers the passes all payments must be up-to-date. OLA will not print badges if firms have an outstanding balance on January 20, 2017. There is no fee for EXPO-ONLY PASSES provided they are completed online. Paper/FAX requests will be processed at a fee of \$5 per pass – billed to the exhibiting company and payable before the conference opens.

LIABILITY & INSURANCE – Neither Show Management nor any of its officers, directors, employees, or agents, nor the owners, employees or representatives of the exhibit facility will be responsible for any injury or damage that may occur to the exhibitor or the exhibitor's employees or property from any cause whatsoever prior, during or subsequent to the period covered by the exhibit contract. The exhibitor, on signing this contract, expressly releases the foregoing parties, individuals and firms from, and agrees to indemnify same against, any and all claims for such loss, damage or injury. Exhibitors are advised to carry insurance on their exhibits and its contents; however, this will be taken at their own expense.

AUTHOR/SPECIAL GUEST BADGES – The OLA does not charge exhibiting firms for Author or Special Guest badges provided we are notified at least 10 days before the EXPO opens. There is a form in the Exhibitor Kit.

ENTRY TO THE SHOW – Show Management reserves the right to deny admission to any visitor, exhibitor, or exhibitor's employee. Show Management reserves the right to final determination of all space assignments in the best interest of the exposition.

LABOUR – Exhibitor must observe all contracts in effect between Show Management, service contractors, Convention Centre, and labour organizations involved.

MEMBERSHIP STATUS – Rates paid for exhibit space are based on the membership status of the company at the time of the actual display. It is the exhibiting company's responsibility to either pay non-member rates or to have a current Associate Membership in the Ontario Library Association at the time of the event. Show Management reserves the right to withhold a firm's ability to set-up if their membership status changes between time of payment and the event.

DISCOUNT POLICY – The OLA does not discount at the end of the sales period. OLA reserves the right to move firms who have purchased smaller spaces into larger spaces.

SMALL FIRM/NFP – The OLA reserves the right to limit the number of booths/tables in any category. The OLA does not assign space to this category until the sales period ends in January. Space allocation in this category is on a random basis.

SELLING AT THE EXPO – The OLA strongly supports and encourages vendors to sell on the floor of the Super Conference EXPO. Show Management encourages exhibitors to inform them of any special deals they plan to offer and they will be promoted in the on-site EXPO Directory at no additional expense.

OTHER REGULATIONS – Any and all other matters not specifically covered by the preceding General Rules and Regulations shall be subject solely to the decision of Show Management. The Show Management shall have full power to interpret, amend and enforce these rules and regulations provided, and amendments, when made, are brought to the notice of exhibitors. Each Exhibitor, for themselves, and their employees, agrees to abide by the foregoing Rules and Regulations and by any Amendments or additions thereto in conformance with the preceding sentence.

SPACE SELECTION/ALLOCATION – The policy is clearly articulated on Space Allocation & Contract form.

Sponsorship

Special Thanks to all of the firms who are supporting OLA in 2016!

Each year the OLA solicits the library industry for financial support to assist in the costs of running such a large and diverse conference. The money that is donated goes to keep the registration prices down for delegates. Please consider allocating some of your marketing budget to sponsorship.

The Association as a general practice doesn't consider adding an expense to the conference just to create a sponsorship opportunity.

Opportunities that are still available

\$5,000 Plenary Speaker

- One of the few times when all delegates gather together in one place to attend the same session. What a great way to "hit" the largest single gathering!

\$2,500 – \$4,000 Stream Sponsor

- Sponsor a whole stream of sessions.

\$2,00 – \$4,000 Conference App

- OLA is offering attendees a rich, interactive mobile option to experience the conference

\$3,000 Delegate Lanyards

- Provide a lanyard to every attendee at the conference.

\$2,500 OLA Lounge on the EXPO floor

- Sponsor the lounge on the north west corner of the EXPO floor

\$2,500 Speaker's Lounge

- Where all Speaker's check in to pick up their badges, leave their coats, use the computers for last-minute prep, or sit back and relax until their session.
- Most speaker's meet their convenors in the Speaker's Lounge.

\$2,500 Career Centre

- Popular with recent graduates and seasoned professionals looking to make a move.
- Mock Interviews provide delegates a chance to participate in a simulation of a real interview.
- Opportunity to talk with a professional career coach.
- Other career resources such as: Job Information; Cover Letter Review; Résumé Critiquing; and Interview Tips/Techniques.

\$1,000+ Spotlight Speakers

- Each division of OLA has a Spotlight Speaker.

\$895 – \$1,800 Conference Bag

- Looking to make a big splash at Super Conference? Every delegate – over 4,000 – receives a Conference Bag which contains their on-site program, badgeholder, and Passport to Prizes. This is a high-profile sponsorship activity.

\$600 Insert in Conference Bag

- Want a guaranteed distribution of your flyer or promotional item? We only accept six commercial items.
- 3,500 copies of your insert must be sent to the OLA office in January for inclusion in the bags.

\$600 Handout on Every Seat at a Plenary

- Imagine the attention they will pay in the 15 minutes before a plenary when they arrive to get a seat at one of these packed Plenary Sessions.

\$500 Sponsor a Session

- Pick a subject area. Make a splash at the session – hand out a flyer, give away a related title.
- There are opportunities for this small amount of money to make a big impact.

\$250 – \$10,000 Hold an Auction/Draw & Donate the Proceeds

- Hold an auction or draw at your Booth and donate the proceeds. Let us know in advance and you will get profiled in the on-site program and more afterwards.

\$450 Daily Bookmark

- The sponsoring company will receive a 2" x 1½" ad on the front of the bookmark.

\$350 Pens or Paper Pad in Conference Bag

- Requested by Delegates!
- Provide 3,500 pens or paper pads for the delegate bags. Be the ink that allows your buyers to make notes and remember who supports them.

Up to \$100 Passport to Prizes Participant

- Delegates visit with vendors in the EXPO who provide stamps on their Passport. Completed Passports are randomly drawn and the winner receives one of the donated prizes. Typically a prize should have a value of less than \$100.

Are you familiar with the Signature Events of OLA?

Consider allocating some of your marketing budget in either the Marketplace or as an Event Sponsor.

These events are targeted at 100–300 people and are planned by practitioners who are asking for more participation by those who offer products that compliment the topics. They know that there are opportunities for synergy.

There is significant recognition of your support available at the events; online through OLA's many digital channels; through social media; and at OLA's premier event Super Conference.

Propose a Session

OLA extends the right to Associate Members to propose educational sessions. This allows the Associate Members to intertwine themselves with the practicing members and to share experiences and expertise in a formal session setting. These are not intended as commercial sessions, but rather as a general, informative, balanced presentation on a particular topic in which your firm might have a specialization.

The conference committee evaluates proposals, and if they accept the proposal they will assign a convenor to work with your company and speakers. It is expected that the sponsoring company will cover all costs related to the speakers. OLA will provide stock audiovisual equipment in the manner it does for all sessions at Super Conference. The session will be jointly supported by OLA and your firm.
