AUDITOR'S REPORT

To the Members of
Ontario Library Association

We have audited the statement of financial position of Ontario Library Association as at
December 31, 2000 and the statement of operations and changes in fund balances for
the year then ended. These financial statements are the responsibility of the
Association's management. Our responsibility is to express an opinion on these financial
statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards.
Those standards require that we plan and perform an audit to obtain reasonable
assurance whether the financial statements are free of material misstatement. An audit
includes examining, on a test basis, evidence supporting the amounts and disclosures
in the financial statements. An audit also includes assessing the accounting principles
used and significant estimates made by management, as well as evaluating the overall
financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the
financial position of Ontario Library Association as at December 31, 2000, as well as its
operating results and the changes in its fund balances for the year then ended in
accordance with generally accepted accounting principles.
