

## Partners Library Coupons

**Teacher-librarians provide access to resources**—Teacher-librarians have special training in selecting resources and building rich, diverse, equitable, and curricular-based collections.

**Teacher-librarians promote reading for pleasure**—Children who read for enjoyment increase their reading skills, their desire to read to learn, and their ability to read increasingly complex text.

**Teacher-librarians collaborate with teachers**—Teacher-librarians partner with teachers to teach resource based literacy skills grounded in the core curriculum.

**Teacher-librarians teach critical literacy skills**—Increasingly, lifelong learning literacy includes the skills needed to find, process, assess and use information.

**Teacher-librarians provide ICT Administration**—Teacher-librarians share their expertise with information and communication technologies to help staff effectively use electronic resources.

**Teacher-librarians partner with the Community**—Teacher-librarians build extensive partnerships with the local school community and build access to local community resources.
