Find your textbooks... Order your textbooks: Fall 2012

Spring 2013 available after December 1, 2012

Simply enter your courses and you'll get a custom booklist. You can then print it off to make shopping in the store easier... or place an order for them to be delivered to your doorstep. Whatever works for you.

You may select or remove courses by clicking on the buttons.

- Choose courses by selecting them in the list, then click(ing) "Select".
- Select multiple courses by holding down the "CTRL" key on your keyboard as you click.
- To move quickly through the list, highlight any course then press the first letter of the course you wish to select.
- To search thematically (i.e. all Philosophy titles) please choose the courses of interest by using the "SHIFT" key to select all.
