Lost in Implementation
Troubleshooting programming that doesn’t go according to plan

Emily Farrell, Tori Murray, Jess Oakman
Your presenters!
Last year’s presentation

Questions on dealing with problems.
Outline

• Issues
• Examples
• Q&S
Problem #1: program falls flat

- The kids just don’t seem to be interested
- Kids losing focus
Start your activities early!
Problem #2: mischievous children in your program

- Kids with special needs
- Disruptive kids
Quiet program

Talk to their EA

Themes
Be interactive!
Problem #3: talking

- Parents / teachers
- Kids
Teacher/Parent involved

Ask them questions

NO, NEVER!
YES, ALWAYS!

Library lessons
Problem #4: lack of turnout

- Timing
- Advertising
- Interesting
- Relevancy
Family Movie
Saturday, December 5th, 2015
3 PM at the Spencerville library
