Using WorldShare Collection Manager

- Do I need to use WorldCat Local or Discovery?
 - *No. You can use the KB to get MARC records, so you can load them into your own catalogue to work with your discovery layer.*
- How do I get this service?
 - *It is included as part of your cataloguing system for members who catalogue using OCLC.*
- What if I'm using OCLC Collection Sets?
 - *It is replacing the OCLC Collection Sets as the way to receive MARC records from vendors.*

What can you do?

The screenshot shows the WorldShare interface. At the top left is the WorldShare logo. Below it is a navigation bar with tabs for Metadata, Licenses, Analytics, and Admin. The main content area is divided into sections: Record Manager, Collection Manager (which is expanded), My Files, and My Apps. The Collection Manager section includes a dropdown menu for 'Collection', a search input field with a help icon, a checkbox for 'My Selected Collections', and several buttons: 'Search', 'Activity History', 'Approve Changes to Global Collections', 'View Recent Collections', 'Create a Collection', and 'Settings'.

- Find Collections to add to your catalogue
- Create Collections
- Customize Collections for your own library
- Share Collections you create with the Global Community or Specific Libraries
- Receive MARC records

Creating a collection in the KB

The screenshot shows a web browser window with the URL <https://mcgill.share.worldcat.org/wms/cmnd/metadata/kb/collection/global.5363>. The browser's address bar and tabs are visible at the top. Below the browser, the WorldShare logo is displayed. A navigation menu contains the following items: Metadata, Licenses, Analytics, and Admin. The 'Metadata' item is selected, and a sidebar menu is open on the left. The sidebar menu includes the following items: Record Manager, Collection Manager (expanded), Collection (dropdown), a search input field with a help icon, My Selected Collections (checked), Search, Activity History, Approve Changes to Global Collections, View Recent Collections, Create a Collection (highlighted in yellow), and Settings. Below the sidebar menu, there are links for My Files and My Apps.
